

## About Fleet Morris

---

Fleet Morris was formed in 1984, and has a wide repertoire of dances, mainly in the Cotswold style. Our dances are based around those from the villages of Adderbury, Bampton, Ducklington and Fieldtown, with a few Border dances thrown in to change the tempo.

---

### **Roy Dommett CBE (1933-2015)**

For many years Fleet Morris was mentored by Roy Dommett who sadly passed away last November(2015).

He was Musician for the side for many years and created many of the dances that the side performs today.

Roy was regarded by many as the foremost authority on Morris Matters and will be missed by us all.

## Fleet Morris Welcomes New Members

---

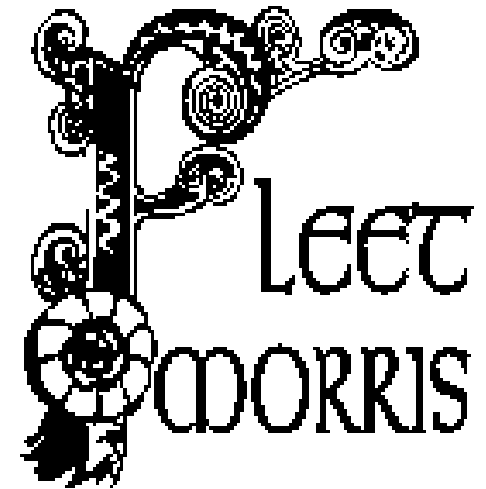

Fleet Morris is looking to recruit dancers to ensure that the tradition continues.

We meet every Tuesday evening at Yateley Manor School and welcome new members from September onwards. Our dancers are all female, but we have musicians of both sexes.

You need no previous dancing experience to become a morris dancer, but a good sense of humour is an advantage as is a liking for a wide and varied social life.

If you would like to try dancing the Morris, speak to any one of us or contact us via the details on this programme or via the contacts on the website@
